RECOGNITIONS AND AWARDS CELEBRATION

Program Year: 2008 - 2009

Theme: "DRIVEN BY PURPOSE!"

Annual Leadership and Awards Program

June 11, 2009

We are excited about honoring an impressive group of women and men who are dedicated to GWWN's mission and who are agents of positive change in the community. In addition, we applaud the scholarship awardees that ran the academic race and finished the course in spite of challenges and obstacles. It is always a joy to host an event with members, honorees, their families, and guests sharing in this dynamic occasion.
